

No	Characteristics	0,84 L	1L	5L
1	Bottle Weight	770 g	920 g	4600 g
2	Number of bottle in the box, pcs.	15	15	3
3	Number of boxes in the container, pcs.	1850	1750	1750
4	Number of bottle in the container, pcs.	27 750	26 250	5 250

Criterion	Regulatory document	Standard	Actual
Transparency	ГОСТ (State Standard) 5472-50 "Vegetable oils. Definition of colour, odour and transparency"	Transparent without sediment	Transparent without sediment
Taste and odour	ГОСТ 5472-50 "Vegetable oils. Definition of colour, odour and transparency"	Taste of deodorized oil, without odour	Taste of deodorized oil, without odour
Colour number, mg J ₂ , no more than	ДСТУ (State Standard of Ukraine) 4568:2006 "Oils. Methods of colour number definition"	10	2
Acid number, mg KOH/g, no more than	ДСТУ 4350:2004 "Oils. Methods of acid number definition"	0.25	0.10
Peroxide number, mM/kg ½ O ₂ , no more than	ДСТУ 4570:2006 "Oils. Methods of peroxide number definition"	At the moment of product release - 2.0	0.30
Mass content of phosphorus-containing substances - in recalculation on: stearooleocitin, % - in recalculation on: P ₂ O ₅ , %	ДСТУ 7082:2009 "Oils. Methods of definition of phosphorus-containing substances mass content"	None	None
Nonoleaginous impurities, %	ДСТУ 5063:2008 "Oils. Methods of definition of nonoleaginous impurities and sludge"	None	None
Moisture and volatile matter, %, no more than	ДСТУ 4603:2006 "Oils. Methods of moisture and volatile matter definition"	0.10	0.05
Content of waxes and wax-like substances (cold test)	ДСТУ 4602:2006 "Oils. Methods of wax-like substances definition"	None	None
Soap content (qualitative test)	ДСТУ 6048:2008 "Oils. Methods of soap content definition"	None	None
Mass content of Benzo(a)pyrene, mg/kg	ISO22956:2008 according to the tests by the State Enterprise "Ukrmetrteststandard" (All-Ukrainian State Scientific-Production Centre of Standardization, Metrology and Certification). Test certificate No.4534/17-x dd. May, 19, 2017	no more than 2.0	0.29
